

Give A Cash Gift To Your Favorite School

Each time you shop with your V.I.P. card, you help your school earn cash.

Schools can buy sports or playground equipment...even air-fare for field trips!

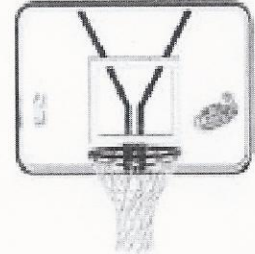

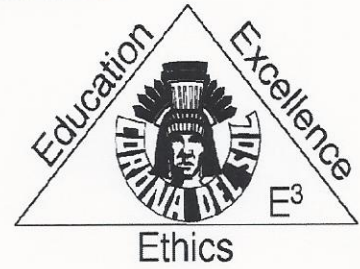

Corona Del Sol HS Boy

To: Corona del Sol Boys Basketball Parents, Alumni & Fans
From: CdS Basketball Booster Club

Here is a great and easy way to support our boys basketball team at Corona at no cost! We are happy to participate in Fry's grocery stores Cool Cash Program. Simply link your v.i.p. card to the barcode below at check-out the next time you shop at Fry's and your purchases (starting Sept 1) will be added to our account total. You only need to link your card once per program year which runs from Sept 1, 2011 through April 21, 2012. For every \$50,000 in purchases our booster club will receive \$500 (up to a maximum of four checks or \$2000).

Please feel free to copy & pass this barcode on to relatives, friends, co-workers and neighbors who would also like to support our team. It's easy and free! We appreciate your support as well as Fry's Food Stores for their generosity in instituting this program for our schools.

Note: It is not necessary to wait until Sept 1 to link your card but purchases will not start accumulating until that day. You may only link your card to one school/group per program year. To locate a Fry's store near you, go to: <http://clients.mapquest.com/frys/mqlocator?link=find>
